

Attention Faith Formation Grades 1 – 6

Registration is now available on our website or come into the Parish Center which is now open from 10 a.m. to 3 p.m. Monday through Friday.

Classes will start in October with a drive through on the St. Joseph school grounds to receive textbooks and homework assignments and meet the teachers. Until we can have in person classes each child will have two lessons per month with homework questions to answer and turn in to the Parish Center or send via email by a given date each month. Teachers will review the work and contact the student to review the work and give further instruction.

Each child will also be required to turn in a mass worksheet that will show that the child has watched the Sunday mass on Facebook or YouTube at 10 a.m. or has attended one of our outdoor masses on the St. Joseph school grounds at 8 a.m. or 12 noon. Students should also watch our Faith Hour with Fr. Geoffrey every Wednesday at 6 p.m. on YouTube or Facebook. This year will be a challenge for everyone, and I do not want to put undue stress on anyone. This is why we will have a reduced schedule but enough for all students to have received more knowledge in our faith and for children who need sacraments to receive the instruction needed for them to be able to obtain their sacraments.

When the school becomes available, we will have in person classes with masks required, individual supplies for each student as well as staggered dismissal times for all classes. This year parents will truly be the teachers of the faith as promised when their child was baptized. We will do everything in our power to support you and help you teach your child/children their faith.

If you have any questions, please call the Parish Center at (510) 741-4900.

Stay safe and healthy!
